500 × 578 mm

CRYSTAL is a hanging lamp. It is composed of three equal parts on the basis of a geometric crystal form. A fine, perforated aluminium sheet offers a structure that emphasises the crystalline form and creates a translucent lamp socket. Minimal and efficient in production, material and function, crystal provides the prominent form for hanging at home, in shops, public buildings, hotels or restaurants.

CRYSTAL, 2015, Julian Schubert, Elena Schuetz,
Leonard Streich commissioned by NEW TENDENCY
